Is accessing Online Banking private and secure?

Yes. We use a system of firewalls that serve as an immune system to protect our information from unauthorized intruders. The system continuously monitors for any indications of a breach. Additionally, we use and require you to use a browser that supports (128-bit encryption). Also, we use an automatic “time out” system that will automatically log you off if, after 20 minutes of inactivity, you have not logged yourself off.

What do I do if I forget my Password?

You may use the Forgotten Password link located beneath the Password field within Online banking. An email will be sent to your email address on file with a temporary password. You may also call Customer Service at 216-529-2700 (800-966-7300 outside Cuyahoga County) Monday through Thursday 8:00 a.m.–5:00 p.m., Friday 8:00 a.m.–6:00 p.m. or Saturday 9:00 a.m.–1:00 p.m. or visit any of our branches Monday through Thursday, 9:00 a.m.–4:00 p.m., Friday 9:00 a.m.–6:00 p.m. or Saturday 9:00 a.m.–1:00 p.m. and a representative will reset your Password.

Why am I unable to login?

If you have not logged into your Online Account/s within the last 6 months, you may need to re-enroll. Please contact Customer Service for assistance at (800) 966-7300.

Make sure you are entering your Access ID and Password properly. Both are case-sensitive.

Why am I receiving an error message?

- **Enterprise Server Unavailable:** A connection cannot be established with First Federal Lakewood at this time. This is usually a temporary situation. However, there are times when the site may be down for scheduled or unscheduled maintenance. Try your connection again or at a later time and if you are repeatedly having difficulties, check with your Internet Service Provider (ISP) or the Bank because there may be a connectivity problem.
- **Insufficient Funds:** The account does not have sufficient funds to complete the transaction you are attempting. The account's available balance may not allow the entire transaction amount. Change to a smaller amount and try the transaction again. Contact us if you still cannot process the transaction.
- **Invalid To Account:** The account you want to process a transaction to is not a valid account type. The account type may not be available for this request or may require special handling. Contact us for more information.
- **Invalid From Account:** The account you want to process a transaction from is not a valid account type. The account type may not be available for this request or may require special handling. Contact us for more information.
- **Memo Post Unsuccessful:** The transaction was rejected. Try to process the transaction again. Contact us if you still cannot process the transaction.
- **Your Certificate Has Expired:** Login not accepted. Upgrade your Internet browser and attempt to log in again. Contact us if you are still unable to log in.
- **An inactivity limit has been reached, and your online session has expired:** As a security feature, customers are automatically logged off after 20 minutes of inactivity. Click 'Back' and login again.
- **Login Information Is Missing Or Invalid:** If you are logging on, Access ID and/or Password is missing or incorrect. Verify that both were typed correctly; both are case-sensitive. Note: After five unsuccessful login attempts, we will need to perform account maintenance. Contact us at (800) 966-7300 if that occurs.
